

ROWAN GOLF CLUB, PORT ERIN, ISLE OF MAN

1. ETIQUETTE

All players shall observe the Rules of Golf, and the Rules of Golf Etiquette, and such Local Rules as are published herein, and from time to time on the Club Notice Boards.

2. PRACTICE

The area between the 17th and 18th fairways, excluding greens and hazards may be used as a practice area at any time. If a player's ball comes to rest on the practice green outside the clubhouse, playing from that area is PROHIBITED and the player MUST take relief under Rule 25-1.

3. OUT OF BOUNDS A ball is out of bounds if:

- It is over any boundary fence or wall or beyond any line of white stakes defining the boundary of the course.
- It is within the internal out of bounds area delineated by the white stakes between the 5th and 6th fairways, and the 6th and 7th fairways, when playing holes 5 and 7. The white stakes defining the internal out of bounds are deemed to be immovable obstructions when playing any hole other than holes 5 and 7 and relief may be taken in accordance with Rule 24-2.
- It is in or over the ditches which run to the right of the 10th, 11th and 15th holes, and behind the 11th green. These ditches are deemed to be the boundary of the course on these holes. A ball is out of bounds if it lands in or over these ditches. A ball is in the ditch if it has crossed the inner edge of the ditch.

4. STONES IN BUNKERS

Stones in bunkers are movable obstructions and may be removed in accordance with Rule 24-1.

5. PREFERRED LIES 11th HOLE

A ball lying on any 'closely mown area' through the green on the 11th hole may, without penalty, be lifted cleaned and placed within six inches of where it originally lay, but not nearer the hole. "Closely mown area" in this context means the fairway of the 11th hole only.

6. GROUND UNDER REPAIR

Ground under repair is defined by white stakes or lines. Relief MUST

be taken in accordance with Rule 25-1. Through the green all tractor wheel marks may be treated as ground under repair. Temporary greens are marked with white lines. When not in play they are deemed to be ground under repair.

7. IMMOVABLE OBSTRUCTIONS

All footpaths on the course, and all tee-boxes, are deemed to be integral parts of the course. The following are designated as immovable obstructions and relief may be obtained in accordance with Rule 24-2: Fixed sprinkler heads, taps, drainage covers, any trees with attached stakes, plastic sheets around the base of any tree, white posts defining the internal out of bounds except when playing holes 5 and 7. In addition, if a ball lies through the green and an immovable obstruction on or within two club lengths of the putting green and within two club lengths of the ball intervenes on the line of play between the ball and the hole, the player may take relief as follows: The ball must be lifted and dropped at the nearest point to where the ball lay that (a) is not nearer the hole, (b) avoids intervention and (c) is not in a hazard or on the putting green.

8. MOVABLE OBSTRUCTIONS

Dug excrement is deemed to be a movable obstruction. A player whose ball is embedded in or touching it may obtain relief in accordance with Rule 24-1.

9. AERATION HOLES ON GREENS

If a ball comes to rest in or on an aeration hole on the putting green, the player may, without penalty, place the ball at the nearest spot to where it lies, not nearer the hole, that allows it to avoid the situation.

10. DISTANCE MEASURING DEVICES

For all play at this course, a player may obtain distance information by using a device that measures distance only. If, during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect their play (e.g. gradient, wind speed, temperature etc.) the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional function is actually used.
